

INVITATION LETTER

Dear Friend,

We hereby sincerely invite you and your company's representatives to visit our booth at the 140th Canton Fair in Guangzhou, China.

We design and manufacture soda makers and sparkling water makers. This year two models lead the booth: DRINKSIT — the fully **AUTOMATIC** sparkling water dispenser, no bottle, one glass at a time — and WALL, which mounts on the wall or stands on the desk.

Best regards,

Mark Han · General Manager
Koye Lo · Sales Manager
Dally Deng · Sales Manager
